Thurmont Lions Club - Visitations to Other Clubs
2022-2023

Visiting other clubs within and outside our District can be very interesting and rewarding. We are asked to visit each club within our Region, three clubs outside our Region and one club outside our District. The Team Leader for each visitation is shown in Bold letters -- that member is asked to coordinate with other members of his/her team and make proper arrangements with the club being visited. A Visitation Team consists of at least two members, if someone from the team cannot attend the visitation, the Team Leader will arrange for a substitute. The Team Leader will obtain appropriate signatures on the visitation form and promptly return it to Lions Evelyn or Tim. Visitation forms can be obtained from Lions Evelyn, Tim and Joyce.
