Meetings are held:
St John Lutheran Church
Meet 2nd & 4th Wednesday
at 6:30 pm

Hello Lions

As we begin this new year, I am looking forward to working with all of you to better serve our community. Any ideas for service projects are warmly welcomed. The recent Christmas House Extravaganza on January 7th was fabulous. Thank you Lions Doug and Don for such a great fundraiser. The Health Fair will be held on May 6th at the American Legion from 8-12 noon. Juneteenth remembrance sponsored by both our club and the Catoctin Furnace Museum will be held on June 19th at 6:30 pm.

For anyone who is considering a leadership position in our club, please attend one of our Board meetings as anyone is welcome to attend. All of us in leadership are taking a careful look at our expenses as we are changing our fundraisers to ensure our club continues to support our community. Please let me know if you have any suggestions or recommendations.

HAPPY VALENTINE'S DAY!

President Julie El-Taher

February 8th Lions Fundraiser Meeting

(Contributed by Lion Don Keeney, Jr.)

The February 8th regular Lions meeting will be a fundraising dinner for the club's Administrative Account with food prepared by Lions Doug, Don and Susan. The menu will consist of Swedish meatballs, chicken parmesan, scalloped potatoes, applesauce, rolls/butter, drinks, and desserts. The cost will be \$15, and the meeting will start at 6:30 pm at St. John Lutheran Church.

The program for the night is preliminarily set to be Lynn Poole from Ukraine. She will talk about her family still in Ukraine and who are volunteering on the front lines of the military. We will also be collecting children's and adult sundries, clothing, toiletries, non-perishable items, etc.

Please RSVP to Lions Doug/Don by February 5th if you plan to attend the meeting that night.

Second Christmas Extravaganza was a Smashing Success

(Contributed by Lion Don Keeney, Jr.)

The final house tour of the year was held on Saturday, January 7. We had approximately 75 guests and raised a total of \$2,900 for pediatric cancer support. We also collected children's items which our President, Julie El-Taher presented to John Hopkins Hospital for the young patients. She said there were three patients who had birthdays the week the items were donated, and these items were very welcomed and perfectly timed to lift the spirits of the children. Thank you to all who donated both money and items for this worthwhile cause. A job well done by all.

President Julie El-Taher delivered the donations to Kelli Schneider, John Hopkins Hospital Pediatric Cancer Department. There were 75 toys and stuffed animals along with 4 gift cards each totaling \$25.00. The donations will be used for children in the hospital who are having birthdays and undergoing cancer treatments or experiencing complications.

American Heritage, Preservation and Patriotism Essay Contest

(Contributed by Lion Larry Steinly)

The winners of the Thurmont Lion's Club Annual Heritage Essay Contest are as follows: Adalyn Eaves, Wyatt Roderick and Zoe Wetzel. Those winning essays have been submitted to the Lion's Regional Zone Chair at the district level in the hope that one, or perhaps all, will be selected at that level. Winners at the district level will be presented with a U.S. flag and a \$100 cash award.

Adalyn, Wyatt and Zoe, along with their family and friends, have been invited to the February 22nd TLC meeting where they will be recognized for their winning essays. The TLC Essay Committee was pleased with the number of essays submitted this year; selecting the winning entries was an enjoyable challenge. This year, 37 students from several nearby schools entered the essay contest.

Special thanks to Lion Bev Nunemaker and President Julie El-Taher for their assistance during the TLC Heritage Essay Contest.

Upcoming Candy bar Fundraiser (Contributed by Lion Don Keeney, Jr.)

We will be starting a new fundraiser this spring. We will be making homemade chocolate candy bars, which we will then be selling at our various events. The bars will be milk chocolate, dark chocolate, milk w/almond, milk w/rice crispies, dark w/almond, white, and white w/almond. We will be asking for volunteers to help make and wrap the candy bars, and of course, we will need all of our members to sell (and/or buy) the candy bars. The goal is to have these ready to go by Easter, so we will likely start on these during the month of February. More details to follow.

Membership (Contributed by PCS/AA Susan Favorite)

We will be scheduling a Friendship Night (Wine & Cheese) at Lion Susan's house later this spring. Please be thinking of neighbors, friends, relatives, etc. that you think would make good Lions. We would love to invite them. Send any names and addresses to Lion Susan at skfavorite@comcast.net. Thank you!

Joint Meeting with Emmitsburg Lions (Contributed by Lion Don Keeney, Jr.)

Our first meeting in March will be a joint meeting with the Emmitsburg Lions Club. It will be held at Carriage House in Emmitsburg. The meeting will be held in the Tack room begin at 5:30 pm on Thursday, March 9. A buffet meal will be served at the meeting. The price is yet to be determined. The speaker will be Catoctin FFA. A separate email will be sent out with a signup sheet once a price has been established.

Eyeglasses and Hearing Aids (Contributed by Lion Ruth Heaney)

Thanks to all who contributed to the eyeglass collection sites despite the fickle January weather. Twenty-four cases, six sunglasses and 84 eyeglasses were collected in the first month of 2023. Those in need of eyeglasses are appreciative of all donations.

Help is needed with Visitations (Contributed by Lion Tim Stuart)

We still need members to sign up for two of the clubs we are required to visit in our Region: Mount Airy and Monocacy Community Lions Clubs. Please consider signing up to visit one or even both of these clubs. Now that the holidays are over, we need to move forward with our visitations in order to meet our May 31st goal. Remember, visitations are a good way to learn about another club, spread the news about our club and meet new Lions.

Lion Tim Stuart: 703-850-7478

Lion Evelyn Zimmerman: 240-575-4636

See attached signup sheet – Code: a **Blue D** means a visitation has been completed; a **Blue check-mark** means we have members signed up for a visitation; a **red circle** means we still need members for that club. At least two members are needed for each visit.

Youth Night (Contributed by Lion Dianne McLean)

Our annual Youth Night will be held on February 22nd at St. John Lutheran Church. We will be recognizing local youth from Thurmont Middle School, Sabillasville Environmental Charter School and Catoctin High School. Awards will be presented to the winners of the Essay Contest and Peace Poster Contest along with Leo’s of the Year.

Please support our local students by attending this special night of celebration.

Bingo (Contributed by Lion Sharon Morgan)

On Saturday, March 11, 2023 the club will host our semi-annual CASH BINGO. If you would like to donate money toward a basket, Lions Sharon Morgan and Lisa Riffle will do the shopping for you. Just let us know what you want to spend, and we will take it from there. Anyone interested in creating a basket, making a dessert to be raffled or able to help with the event is welcome and appreciated. We need people to sell raffles, 50/50 tickets, additional games and specials, in addition to King Tut and tip jars. Please contact

Lion Sharon Morgan at 301-748-0159 or Lion Lisa Riffle at 301-271-9984, and we will get you signed up. The evening is sure to be a fun time while raising money for the community.

Barter Night (Contributed by Lion Gayle DiSalvo)

Barter Night is right around the corner. This is the club’s only fundraiser to support the Administrative Account. It helps to keep the club operational. With that said, begin looking around the house, garage and even the yard for an item or two to be auction off at the March 22, 2023 meeting. Homemade items, such as food and craft items, are also welcomed. Smiles are always welcomed to help everyone to have a fun evening.

Easter Egg Hunt (Contributed by Lion Gayle DiSalvo)

The Easter bunny is hard at work. Mark your calendar -- Easter is April 9th this year. Again this year, the Thurmont Lions Club will be sponsoring the Easter egg hunt in Community Park. Please keep in mind that we will be asking for donations of candy to fill the eggs. We will also be asking for volunteers to fill the eggs. More information will be provided in the March newsletter.

Law Enforcement Appreciation Day Service Project (Submitted by Lion Debbie Schray)

The Thurmont Lions Club annually recognizes the Thurmont Police Department for National Law Enforcement Day. On January 9th Lion Debbie Schray did a “fill the table” event. She provided drinks, snacks and goodies in honor of the policemen to enjoy throughout the day.

Being a police officer is a service of pride and respect and the people in this position are giving their all for the safety of their people. The Thurmont Lions Club thanks the Thurmont policemen for the risk they take in their life to safeguard the people of the town. Lion Debbie Schray said “It is a great privilege to represent the TLC as we support our police officers, and blessed are the peacemakers”.

CT Doug Favorite Receives Prestige's Award (Contributed by Lion Joyce Anthony)

On January 17, 2023, CT Doug Favorite received a prestige’s award. A representative from ESGR, Department of Defense, presented the award to CT Doug Favorite for supporting his staff who is serving in the military. It was noted less than 5 percent of all employers nominated for this award actually receive the award.

A comment was received that CT Doug Favorite deserves far more for the way he supports ALL of his staff. CONGRATULATIONS!!

Thurmont Business Showcase (Contributed by Lion Gayle DiSalvo)

The Thurmont Lions Club participates in the Thurmont Business Showcase each year. It will be held on April 29, 2023 at the Thurmont Event Complex Center from 10:00 am – 2:00 pm.

The theme this year is Games. A list of games are listed on the website should we decide to participate at our table. Stay tuned for more information in the March newsletter.

Scholarships (Contributed by Lion Bill Reckley)

The Scholarship Committee has made applications available to students for four \$1,000 college scholarships and two \$500 vocational school scholarships for seniors attending Catoctin High School (CHS) or students living within the CHS boundaries who may be homeschooling. Awarding scholarships to deserving high school students is one of the great ways the Thurmont Lions Club serves our community. The committee will receive the applications by mid-March and the scholarships will be awarded at the annual Education Night meeting on April 26, 2023. Anyone wishing to receive an application form should contact Lion Bill Reckley at wreckley@aol.com.

Thurmont Lions Club Welcomes Guest Speaker (Contributed by Lion Joyce Anthony)

WOW! What an exciting and interesting program. Our guest speaker was Pat Einhorn, a Board member of the Children of Incarcerated Parents Partnership (COIPP). She is also chairperson for kid's activities. COIPP was established in 2004 to identify the needs of children who have a loved one in jail.

Their mission is to foster the growth of strong, resilient, hopeful children who are impacted by an incarcerated loved one in the Frederick County region. Maryland has 90,000 children affected by incarcerated parents. There are 5,400 in Frederick County. Ms. Einhorn elaborated on the many services they provide to the children.

The meeting also served as a service project for the club. We collected numerous items needed to help the children in their daily lives, e.g., diapers, toilet paper, paper towels, hygiene items, books, etc.

3rd VDG's Service Challenge – Service Project that will benefit the Environment

(Contributed by Lion Joyce Anthony)

The final Vice District Governors Service Challenge takes place from January 15-April 15, 2023. For this challenge FVDG Jeremy, Environment Chair Lion Champ Zumbrun and SVDG Susan Cox ask all clubs to complete a service project that will benefit the environment.

LCI suggests any of the following projects:

- Plant trees. Consult your local environment authorities to determine the type and number of trees needed, as well as the location for planting.
- Meet monthly and clean up a beach, community space, or roadside area as a club.
- Hold an environment themed photo contest at a local school. Reward the winner with a tree planted in their honor or another green form of recognition.
- Challenge all Lions in your club or district to add at least one green habit to their daily lives. Inspire others by sharing your actions on social media. Habits might include: – Using a reusable water bottle or coffee mug rather than disposable products. – Changing to energy-saving lightbulbs. – Setting a time limit for your shower to reduce water consumption.
- Develop a Green Living Tip Sheet and share it electronically with members of your community or network.
- Recognize a local organization or community leader for their efforts in environmental conservation.
- Calculate your carbon footprint with an online calculator. If your footprint is bigger than you would like, purchase carbon credits that are Gold Standard Certified and brainstorm ways you can lower your carbon input.
- Volunteer with your local park service to maintain trails. You will help more people access and enjoy nature

- Commit to “Meatless Mondays”, or not eating meat one day each week.
- Collect used cellphones and donate them to individuals in need.

Here are a few more:

- * Organize a hike or nature walk (if you can in your area) and bring bags to collect trash along the trails.
- * Have fun with creating homemade paper out of used paper with friends. (It is easy, fun, and green!)
- * Grow your own vegetables, fruits, and herbs in an organic garden, and encourage others to do the same.
- * Try a neighborhood swap (by way of front porch pick up) where people can trade their produce bounty.
- * Choose a family “energy watchdog” to shut off lights, television, and dripping sinks when not in use.
- * Create a children’s nature garden. Create a path, label plants and trees, and schedule guided tours.
- * Purchase recycled products as opposed to plastic or generic ones. When buying food or drinks of any kind, it is better to stick to a large jug or tub as opposed to a collection of individually packaged goods.

The services are to be reported to SVDG Susan Cox at shcox@comact.net and to Lion Champ Zumbrun at champzumbrun@gmail.com no later than April 15, 2023.
